You are invited to submit poster presentations for the Montana Chapter Soil and Water Conservation Society's (SWCS) Soil Quality and Sustainability technical conference and annual meeting on January 29 and 30, 2009 at the Clock Tower Inn, Billings, Montana.

The focus of the conference will be to provide participants with a better understanding of the importance of soil quality, hands on tools for measuring soil quality, attributes of soil quality, and practices to improve and sustain soil quality. Posters should present one or more of the following topics associated with soil quality and sustainability:

- Tools and Techniques
- Organic Matter Sequestration
- Crops and Cropping Rotations
- Soil Biota/Fauna
- Precision Conservation/Agriculture
- Amendments
- Soil Carbon
- Nutrient Management
- Economics
- Conservation Practices

Abstract Submission Guidelines:

Title of presentation	Contact person with name, address, phone, e-mail and fax	Topic presentation area of emphasis
Other author(s) and affiliation(s)	Maximum dimensions 4' by 6'	Abstract of 250 words or less

For questions and submissions contact: Tom Pick at thomas.pick@mt.usda.gov or phone (406) 587-6947

The deadline for electronic abstract submittal is December 31, 2008

For more information on the conference and updates on the Soil Quality Conference Agenda please visit us at: <http://www.mtswcs.org>
