		Five samples of soil with different textures and colors from across Montana. Quantity suitable for a 25-student classroom lesson. Includes mixing sticks and cups	\$10.00	
		5 oz. bottle of acrylic medium (use approx. one oz. per soil)	\$5.00	
		Soil Painting Kit w/ acrylic		
Subtotal				
Shipping and Handling (\$5.00 per kit)				
Total Enclosed				

Payment method: Check or Money Order
 Payment must accompany order form.
 Please make checks payable to "Montana Chapter SWCS"

Please note: Kit soils have been processed to remove inert matter. Native soil may still contain active microorganisms and therefore should not be ingested. Please use caution when handling and use standard sanitary practices when working with soil and soil products.

Thanks for your support! Proceeds from our soil painting kit sales are used in part to further the conservation education goals of the Montana Chapter of the Soil and Water Conservation Society. Scholarships are provided to deserving college students and educational projects for Montana youths and adults. It is due to your generous support that these projects are possible.
